No to 8.1% rent rise

Monday 20 February, 7pm
Councillors invited to answer questions

**at Somers Town
Community
Centre,
150 Ossulston St,
NW1 1EE
(off Euston Rd,
beside the
British Library)**

Council tenants in Camden reject the 8.1% rent rise. With wages and benefit cuts, pensions frozen and incomes falling, we can't afford £10 a week average rise. Councillors should join us to demand Mayor and government pay up instead.

Say No to

- 8.1% rent rise
- Fixed term tenancies
- Up to 80% market rents
- Evictions due to benefit cuts; and
- 36%+ cut in Camden Fed funding
